G D Em D We have one Father. one faith we confess D Em We have on Saviour, one hope we profess CD G/BEm We have one Spirit, one author of life CD G/B We are one body: the church of the risen Christ

Our actions do not let Your unity flow
We harbour division and reap what we sow
But we are Your children, sisters and brothers
So let us be known by our love for each other

In every person is treasure concealed
And through all our weakness Your strength is revealed
God pour out Your grace let our harmony sing
So we can bring glory to Jesus Christ our King
